

Effective October 1, 2023. This Service Attachment for Colocation Services supersedes and replaces all prior versions.

Service Attachment for Colocation Services

This Service Attachment is between Provider (sometimes referred to as “we,” “us,” or “our”), and the Client found on the applicable Order (sometimes referred to as “you,” or “your”) and, together with the Order, Master Services Agreement, Schedule of Services, and other relevant Service Attachments, forms the Agreement between the parties the terms to which the parties agree to be bound.

The parties further agree as follows:

Provider will deliver only the Services itemized in the Services section of the Order. “Colocation Services” means the provision of space, power, cooling, and physical security for the Customer's servers and other equipment within the Provider's data center facility, as well as any additional services specified in an Order. The following is a list of available Colocation Services. Additional Services may be added only by entering a new Order including those Services.

Colocation Services

Provider shall provide Client with the following colocation services at the Provider's Data Center Facility (“Colocation Services”):

- Provision of secure, environmentally controlled rack space for the installation of Customer Equipment;
- Power supply and backup power;
- Cooling and temperature control;
- Fire suppression and detection systems; and
- Physical security, including access control and video surveillance.

Managed Services

In addition to the Colocation Services, Provider shall provide Client with the following managed services (“Managed Services”):

- 24/7 monitoring and alerting of Customer Equipment;
- Regular maintenance, including firmware and software updates;
- Remote hands services, including reboots, hardware installations, and troubleshooting;
- Network management and optimization;
- Incident response and resolution; and
- Any additional services agreed upon by the Parties in writing.

Grant of License

Provider hereby grants to Client the right and non-exclusive and non-sublicensable license to install, operate and maintain the computer and related communications equipment identified in the Order.

The License is granted for the Term of this Service Attachment. Notwithstanding the foregoing, Provider reserves the right to relocate, change or otherwise substitute replacement space in the above-identified datacenter for the space originally allocated to Client at any time during the

Term hereof, provided that the replacement space is substantially similar in size and configuration to the original space, and provided further that Provider shall provide Client with sixty (60) days' prior written notice of such change. In the event that Client experiences any degradation in the quality of the Services as a result of any such re-allocation, change or substitution, Client may terminate this Service Attachment upon thirty (30) days' advance, written notice, provided that Provider is unable to remediate any such degradation following its receipt of such notice. Client may not sublicense the space allocated to it or allow any other person or entity to use the space for any reason, without first obtaining the prior written consent of Provider.

Client may use the space allocated to it solely for the purposes of (i) installation of the Equipment in the space, (ii) maintaining the Equipment, (iii) operating the Equipment, and (iv) removing the Equipment. Unless otherwise agreed by Provider in writing, Client shall perform all such operations at its sole cost and expense.

Client acknowledges and agrees that it does not have, has not been granted and will not own or hold any real property interest in the space allocated to it or in any portion of the Provider datacenter; that Client is a licensee not a tenant or lessee of the space; and that Client does not have any of the rights, privileges or remedies that a tenant or lessee would have under a real property lease or occupancy agreement.

Provider retains the right to access the space allocated to Client at any time and from time to time to perform maintenance and repairs, to inspect the Equipment and to perform the Services.

EXCLUSIONS

Provider is not responsible for failures to provide Services that are caused by the existence of any of the following conditions:

- Expired Manufacturer Warranty or Support - Parts, equipment or software not covered by a current vendor/manufacturer warranty or support.
- Alterations and Modifications not authorized by Provider - Any repairs made necessary by the alteration or modification of equipment other than that authorized by Provider, including alterations, software installations or modifications of equipment made by Client's employees or anyone other than Provider.
- Hardware or Software Malfunction – Any time there is a defect or malfunction in any hardware or software not caused by Provider that adversely affects Provider's ability to perform the Services.
- Client Resource Problems – Any time a problem occurs resulting from a Client resource that are not under Provider's management or control.
- Network Changes - Any changes Client may have made to the networking environment that were not communicated to or approved by Provider.
- Task Reprioritization - Any problems or failures related to a prioritization or reprioritization of tasks by Client.
- Force Majeure - Any problems resulting from a Force Majeure Event as described in the Master Services Agreement.
- Client Actions - Any problem resulting from Client actions or inactions that were contrary to Provider's reasonable recommendations.
- Client Responsibilities - Any problems resulting from Client's failure to fulfill any responsibilities or obligations under the relevant Agreements.

- Internet Connectivity Loss - Any loss of internet connectivity that occurs at Client locations for any reason.
- Software Maintenance - Any maintenance of applications software packages, whether acquired from Provider or any other source.

Provider is not responsible for failures to provide Services that occur during any period of time in which any of the following conditions exist:

- Problem Ticket Management - The time interval between the initial occurrence of a desktop malfunction or other issue affecting functionality and the time Client reports the desktop malfunction or issue to Provider.
- Power Supply Malfunction – Instances where an uninterruptable power supply (UPS) device malfunctions and renders Provider unable to connect to the network or troubleshoot the device in question.

The following list of items are excluded from the scope of included Services, and may incur additional charges or require a separate billable project:

- Scheduled Maintenance - Any part of the Service outside designated or scheduled maintenance windows or other agreed-upon periods of time that are necessary for repairs or maintenance.
- Agreed Temporary Exclusions - Any temporary exclusion that Provider we may request, subject to Client's approval, to implement changes in applications, environments, conversions or system software.
- Software Maintenance – Unusual work that results from a failed software patch or update that results in an interruption in Client's business, with the exception of Microsoft Windows updates and patches.
- Programming Modifications - Any programming (modification of software code) and program (software) maintenance occurs.
- Training - Any training service of any kind.
- Software and Web Development - Any Services requiring software and web development work.
- Remote Computers — Unless otherwise specified in an Order, home or remote computers that are not covered under the Agreement.
- Replacement Software – Implementation of new or replacement software.
- Relocation / Satellite Office – Office relocation/satellite office setup.
- Equipment Refresh – Any non-workstation equipment refreshes.

The following list of items are costs that are considered separate from the Service pricing:

Costs Outside Scope of the Service – The cost of any parts, equipment, or shipping charges of any kind. The cost of any software, licensing, or software renewal or upgrade fees of any kind. The cost of any third-party vendor or manufacturer support or incident fees of any kind. The cost of additional facilities, equipment, replacement parts, software or service contract.

SERVICE FEES

Client shall pay Service Fees specified in the Order for the Service components that Client requests to be included within the scope of this Service Attachment.

Service Component Changes

At any time, Client may request in writing to change the kinds or quantities of Service components to be included within the scope of this Service Attachment. Client may incur additional charges for any such changes.

Service Fee Rate Increases

In addition to any fee increase resulting from changes to the kind or quantity of Service components added to the scope of this Service Attachment, after the Initial Term, Provider may elect to raise the fees it Provider charges for any Services provided to Client under this Service Attachment will be subject to automatic increases no more than once per year. If the increase exceeds 10% in any year, Provider shall give Client no less than thirty (30) days' notice of any such increase in fees to be charged. Following its receipt of such notice, Client may terminate this agreement without incurring any additional charges or penalties, if any, that it ordinarily would incur for such termination.

DATA LOSS AND SECURITY

Data Loss

Provider is not responsible for the restoration of data to server including site content, email, databases and other types of data. If a hardware failure is experienced and subsequent data loss occurs, Client is ultimately responsible for the data and data restoration. Provider shall not be liable for loss of data under any circumstances.

Client shall maintain insurance in a policy amount sufficient to cover any loss of data, software and/or hardware. In addition, Client acknowledges that it may, at its own option and expense, develop a system that uses mirrored off site servers, offsite backup solutions and/or other means to minimize risk, reduce the loss of revenue and insure continuous hosting of data in the event of a major loss. Provider recommends this approach for all critical web applications including those that generate significant revenue.

Server Audits

Provider does not take responsibility for the overall security of servers. If servers are compromised in any way, Provider reserves the right to immediately audit the server. Security is the responsibility of the Client regardless of the service plan. Provider reserves the right to cancel service if servers are compromised via the implementation of weak password schemes, elderly backend application content and scripting, or for any other reason as deemed necessary by Provider. An hourly labor fee will be incurred with respect to any security related work performed due to any such server being compromised by negligence on the part of the Client.

ACCEPTABLE USE AND SERVICE PARAMETERS

Acceptable Use Policy

Client shall comply with all policies for acceptable use of the Services.

Client Liability

Client is responsible for damages resulting from its violation of this Service Attachment, which damages will be subject to the obligations of indemnification set forth in the MSA. Provider's

hosting of any software solution Services or Client Data does not relieve Client of its responsibility or its obligation to indemnify Provider pursuant to the terms of the MSA.

IP Address Ownership

If Provider assigns Client an Internet Protocol address for Client's use, the right to use that Internet Protocol address shall belong only to Provider and Client shall have no right to use that Internet Protocol address except as permitted by Provider in its sole discretion in connection with the Services, during the term of this Agreement. Provider shall maintain and control ownership of all Internet Protocol numbers and addresses that may be assigned to Client by Provider, and Provider reserves the right to change or remove any and all such Internet Protocol numbers and addresses, in its sole and absolute discretion. Provider may periodically review IP address usage, and if Provider finds that clients are using IP addresses where name-based hosting could be used, Provider will revoke authorization to use those IP addresses that could be used with name-based hosting.

Domain Names

Client is responsible for its own domain names unless Provider is contracted to provide such services under separate agreements, including, but not limited to, domain name registration information, renewals, payments, conflicts and zone files. Client must have valid and current information on file with Client's domain name registrar for any domain hosted on the Provider Network. "Provider Network" is defined as the equipment, software, and facilities within the Provider critical network segments, including Provider's contracted connectivity services to which the Provider hosting environments are connected and are collectively utilized by Provider to provide dedicated and co-location services.

INSURANCE REQUIREMENTS

In addition to the insurance requirements in the Master Services Agreement, Client shall maintain property insurance (inclusive of coverage for data, media and electronic data processing perils) written on a "Special Form" basis at full replacement cost value. Client's policies shall contain provisions providing that such insurance shall be primary insurance insofar as Client is concerned, with any other insurance maintained by Provider being excess and noncontributing with the insurance of Client; and the same shall provide coverage for the contractual liability of Client to indemnify Provider. Each of Client's policies shall name Provider, as an "additional insured". All such policies shall provide that Client's insurer waives all rights of subrogation against Provider. Client shall procure and maintain workers' compensation insurance in accordance with all applicable federal and state laws subject to statutory limits.

TERM AND TERMINATION

Term

This Service Attachment is effective on the date specified on the Order (the "Service Start Date"). Unless properly terminated by either party, this Attachment will remain in effect through the end of the term specified on the Order (the "Initial Term").

Renewal

"RENEWAL" MEANS THE EXTENSION OF ANY INITIAL TERM SPECIFIED ON AN ORDER FOR AN ADDITIONAL TWELVE (12) MONTH PERIOD FOLLOWING THE EXPIRATION OF

THE INITIAL TERM, OR IN THE CASE OF A SUBSEQUENT RENEWAL, A RENEWAL TERM. THIS SERVICE ATTACHMENT WILL RENEW AUTOMATICALLY UPON THE EXPIRATION OF THE INITIAL TERM OR A RENEWAL TERM UNLESS ONE PARTY PROVIDES WRITTEN NOTICE TO THE OTHER PARTY OF ITS INTENT TO TERMINATE AT LEAST SIXTY (60) DAYS PRIOR TO THE EXPIRATION OF THE INITIAL TERM OR OF THE THEN-CURRENT RENEWAL TERM. ALL RENEWALS WILL BE SUBJECT TO PROVIDER'S THEN-CURRENT TERMS AND CONDITIONS.

Month-to-Month Services

If the Order specifies no Initial Term with respect to any or all Services, then we will deliver those Services on a month-to-month basis. We will continue to do so until one party provides written notice to the other party of its intent to terminate those Services, in which case we will cease delivering those Services at the end of the next calendar month following receipt such written notice is received by the other party.

Early Termination by Client With Cause

Client may terminate this Service Attachment for cause following sixty (60) days' advance, written notice delivered to Provider upon the occurrence of any of the following:

- Provider fails to fulfill in any material respect its obligations under the Service Attachment and fails to cure such failure within thirty (30) days following Provider's receipt of Client's written notice.
- Provider terminates or suspends its business operations (unless succeeded by a permitted assignee under the Service Attachment).

Early Termination by Client Without Cause

If Client has satisfied all of its obligations under this Service Attachment, then no sooner than ninety (90) days following the Service Start Date, Client may terminate this Service Attachment without cause during the Initial or a Renewal Term (the "Term") upon sixty (60) days' advance, written notice, provided that Client pays Provider a termination fee equal to fifty percent (50%) of the recurring, Monthly Service Fees remaining to be paid from the effective termination date through the end of the Term, based on the prices then in effect.

Termination by Provider

Provider may elect to terminate this Service Attachment upon thirty (30) days' advance, written notice, with or without cause. Provider has the right to terminate this Service Attachment immediately for illegal or abusive Client conduct. Provider may suspend the Services upon ten (10) days' notice if Client violates a third-party's end user license agreement regarding provided software. Provider may suspend the Services upon fifteen (15) days' notice if Client's action or inaction hinder Provider from providing the contracted Services.

Effect of Termination

As long as Client is current with payment of: (i) the Fees under this Attachment, (ii) the Fees under any Project Services Attachment or Statement of Work for Off-Boarding, and/or (iii) the Termination Fee prior to transitioning the Services away from Provider's control, then if either party terminates this Service Attachment, Provider will assist Client in the orderly termination of services, including timely transfer of the Services to another designated provider. Client shall

pay Provider at our then-prevailing rates for any such assistance. Termination of this Service Attachment for any reason by either party immediately nullifies all access to our services. Provider will immediately uninstall any affected software from Client's devices, and Client hereby consent to such uninstall procedures.

Upon request by Client, Provider may provide Client a copy of Client Data in exchange for a data-copy fee invoiced at Provider's then-prevailing rates, not including the cost of any media used to store the data. After thirty (30) days following termination of this Agreement by either party for any reason, Provider shall have no obligation to maintain or provide any Client Data and shall thereafter, unless legally prohibited, delete all Client Data on its systems or otherwise in its possession or under its control.

Provider may audit Client regarding any third-party services. Provider may increase any Fees for Off-boarding that are passed to the Provider for those third-party services Client used or purchased while using the Service.

Client agrees that upon Termination or Off-Boarding, Client shall pay all remaining third-party service fees and any additional third-party termination fees.
